Covered Medical Expenses are Medically Necessary services and supplies which are recommended by the attending Physician. They include the services of a legally qualified Physician; charges for Hospital confinement and use of operating rooms; charges for anesthetics (including administration), x-ray examinations or treatments, and laboratory tests; ambulance service, drugs, medicines, prosthetics and therapeutic services and supplies; emergency dental treatment for the relief of pain. It must be determined that such Emergency Evacuation is required due to the inadequacy of local facilities. Commercial airfare costs will be in the same class of service, as Your original airline tickets, or in business or first class as in compliance to Your medical necessities and requirements upon the discharge, less refunds from Your unused transportation tickets.

In addition to the above covered expenses, if the Insurer has previously evacuated You to a medical facility, the Insurer will pay Your airfare costs from that facility to Your primary residence, within one year from Your original Scheduled Return Date, less refunds from Your unused transportation tickets. Airfare costs will be economy, or first class if Your original tickets are first class. This benefit is available only if it is not provided under another coverage in the policy.

GENERAL PROVISIONS

CONTRACT. The policy, applications, riders, and endorsements, if any, make up the entire contract. No change in the policy is valid unless it is signed by an executive officer of the Insurer. No agent has the power to change this policy.

RECORDS. As required by the Insurer, the participating organization must keep a record of the insurance for all Insureds. The Insurer can inspect these records while coverage is in effect and for one year after it ends or until final adjustment and settlement of claims hereunder, whichever is later.

CLERICAL ERRORS. The Insurer will not deny or cancel coverage on an Insured because of clerical error by the participating organization or by the Insurer. After an error is found, the Insurer will take appropriate action. This may include adjusting, collecting, or refunding premium.

CONTESTING THIS POLICY. The Insurer relies on statements made by the participating organization in the application. If there is no fraud, the participating organization's statements: (a) are considered representations and not warranties; and (b) will not be used to void the policy or reduce any claim. The Insurer will not contest the policy after it has been in effect for two (2) years, except for fraud.

LEGAL ACTIONS. No legal action for a claim can be brought against us until sixty (60) days after we receive proof of loss. No legal action for a claim can be brought against us more than two (2) years after the time required for giving proof of loss.

CONTROLLING LAW. Any part of this policy that conflicts with the state law where the policy is issued is changed to meet the minimum requirements of that law.

MISREPRESENTATION AND FRAUD. Coverage as to an Insured shall be void if, whether before or after a loss, the Insured has concealed or misrepresented any material fact or circumstance concerning this policy or the subject thereof, or the interest of the Insured therein, or if the Insured commits fraud or false swearing in connection with any of the foregoing.

SUBROGATION. To the extent the Company pays for a loss suffered by an Insured, the Company will take over the rights and remedies the Insured had relating to the loss. This is known as subrogation. Subrogation is limited to situations in which the settlement or judgment received from a third party specifically identifies or allocates monetary sums directly attributable for expenses which the insurer paid benefits. The Insured must help the Company to preserve its rights against those responsible for the loss. This may involve signing any papers and taking any other steps the Company may reasonably require. If the Company takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Company.

ASSIGNMENT. This policy is not assignable but benefits may be assigned.

CANCELLATION AND NON-RENEWAL.

Cancellation by the participating organization or Insured: The participating organization or Insured has the right to cancel this policy at any time by giving advance notice to the Insurer (stating when thereafter the cancellation shall be effective).

Cancellation by the Insurer: The Insurer has the right to cancel this policy at any time and for any reason within the first sixty (60) days. The Insurer will mail all notice of cancellation thirty (30) days prior to the effective date of cancellation on a policy which has been in force sixty (60) days or less. A specific explanation for cancellation will be given. On a policy which has been in force sixty-one (61) days or more, the Insurer will mail advance notice of cancellation sixty (60) days prior to cancellation. After this policy has been in effect for sixty (60) days, it may be cancelled only for one of the following reasons: (a) Non-payment of premium; (b) The policy was obtained through a material misrepresentation; (c) Any participating organization or Insured violating any of the terms and conditions of the policy; (d) The risk originally accepted has measurably increased; All notices of cancellation will be mailed to the last mailing address known by the Insurer for the named participating organization or Insured.

The Insurer will mail all notices of cancellation for nonpayment of premium ten (10) days in advance prior to cancellation.

Non-renewal by the Insurer:

The Insurer has the right to non-renew this policy effective on any annual policy anniversary date. All notices of non-renewal will be mailed to the participating organization or Insured at the last mailing address known to the Insurer, at least sixty (60) days prior to the effective date of non-renewal and shall provide a specific explanation of the reasons for non-renewal.

POLICY TERM. The period beginning on the effective date and continuing for a period indicated in the policy. The policy term shall automatically renew continuously for successive one-year periods (policy anniversary date), thereafter until cancelled or non-renewed pursuant to the terms of this policy.

WHEN AN INSURED'S COVERAGE BEGINS. All coverage (except Trip Cancellation) will take effect at 12:01 A.M. local time, at the location of the Insured, on the Scheduled Departure Date provided: (a) coverage has been elected; and (b) the required premium has been paid. Trip Cancellation coverage will take effect at 12:01 A.M. local time at the location of the Insured, on the day after the required premium for such coverage is received by the company or its authorized representative.

WHEN AN INSURED'S COVERAGE ENDS. An Insured's coverage will end at 11:59 local time on the date which is the earliest of the following: (a) the Scheduled Return Date as stated on the travel tickets; (b) the date the Insured returns to his/her origination point if prior to the Scheduled Return Date; (c) The date the Insured cancels their Covered Trip; (d) Any Trip that exceeds 365 days.

EXTENDED COVERAGE. All coverage under the policy will be extended, if: (a) the Insured's entire Trip is covered by the policy; and (b) the Insured's return is delayed by covered reasons specified under Trip Cancellation and Interruption or Travel Delay. If coverage is extended for the above reasons, coverage will end on the earlier of: (a) the

date the Insured reaches his/her return destination; or (b) seven (7) days after the date the Trip was scheduled to be completed.

PREMIUMS. The Insurer provides insurance in return for premium payments. Premium must be remitted on behalf of the Insureds to the Insurer or to its authorized representative.

AMOUNT OF PREMIUM. The amount of premium due from the participating organization is calculated by multiplying the number of Insureds in each class by the amounts due for the benefits for that class and adding the total amounts due for each class. The amount of premium due for each Insured is obtained by adding the total rate charged for each benefit provided for that Insured.

MODE OF PREMIUM:

Insured: The required premium must be paid to the participating organization or its authorized representative prior to the Scheduled Departure Date of the covered Trip.

Participating Organization: The participating organization will pay the premium according to the schedule noted in the travel protection policy application.

PREMIUM RATE CHANGE. The Insurer has the right to change premium rates on any premium due date. The Insurer will give the participating organization thirty-one (31) days advance notice in writing of any such change. The Insurer can also change the rates when any change affecting rates is made in the policy.

ARBITRATION. Notwithstanding anything in this policy to the contrary, any claim arising out of or relating to this contract, or its breach, will be settled by arbitration administered by the American Arbitration Association in accordance with its commercial rules except to the extent provided otherwise in this clause. Judgment upon the award rendered in such arbitration may be entered in any court having jurisdiction thereof. All fees and expenses of the arbitration shall be borne by the parties equally. However, each party will bear the expense of its own counsel, experts, witnesses, and preparation and presentation of proofs. The arbitrators are precluded from awarding punitive,

treble, or exemplary damages, however so denominated. If more than one Insured is involved in the same dispute arising out of the same policy and relating to the same loss or claim, all such Insureds will constitute and act as one party for the purposes of the arbitration. Nothing in this clause will be construed to impair the rights of the Insureds to assert several, rather than joint, claims or defenses.

CLAIMS. Death claims will be paid to the Insured's estate, unless we receive a written request from the Insured designating a named beneficiary. All other claims will be paid to the Insured. In the event the Insured is a minor, incompetent, or otherwise unable to give a valid release for the claim, the Insurer may make arrangement to pay claims to the Insured's legal guardian, committee, or other qualified representative. Any payment made in good faith will discharge the Insurer's liability to the extent of the claim. The claimant (either the Insured or someone acting for the Insured) must notify the Insurer or its designated agent in writing about the claim. Correspondence should be sent to the administrative office, at the address shown on the cover page of the policy or the Insurer's designated agent. Such notification should include the Insured's name, the participating organization's name and the policy number.
